**UPDATE**

## **Visitation Temporarily Suspended**

Exceptions to the no visitation policy for other areas include:

- Obstetric patients may have one partner and one birth support person accompany them.
- Neonatal Intensive Care Unit (NICU) patients may have one birth parent plus one significant other.
- Patients who are at the end-of-life.
- Patients with behavioral conditions for whom a family member is key to their care, may have one visitor.
- Patients who have altered mental status or developmental delays (where caregiver provides safety) may have one visitor.
- Minors under age 18 may have one parent or guardian.
- Patients undergoing urgent/emergent surgery or procedures may have 1 visitor who must leave the hospital as soon as possible after the procedure/surgery.
