

Phoebe Worth Medical Center
Community Health Implementation Plan

FY 2023 thru FY 2025

Community Benefits are programs or activities that provide treatment and/or promote health and healing as a response to identified community needs. They are not provided for marketing purposes and are guided by these four principles:

1. *Improves access to health care services*
2. *Enhances health of the community*
3. *Advances medical or health knowledge*
4. *Relieves or reduces the burden of government or other community efforts.*

Implementation Strategy Process

The Implementation Strategy of Phoebe Worth reflects our plans to respond to the community's identified health needs as well as pairing our plans with current community benefit activities and our overall operating strategies. The Strategy is a compilation of input and feedback from our Community Leaders and Providers with knowledge of population health issues, Phoebe Worth Management Team, Phoebe Worth Executive Team and our Phoebe Worth Board of Directors. On December 21, 2022, the Phoebe Worth Board of Directors reviewed and approved the Implementation Strategy.
